Carols for a Family Christmas

~ Note to Teachers & Students ~

This collection of traditional Christmas carols provides in one volume a range of beginning piano levels. Because the skill levels of these carols span from Primer through Level Three, students can enjoy this book for the first few years in their personal musical development.

Carols appear approximately in the order of difficulty. Begin by choosing one that looks fairly easy for you. This will build your confidence. Try different levels and enjoy as many as you feel able to tackle this year. Each Christmas season, review some you learned previously, then progress to other carols at the same level or higher.

Lyrics are included for each carol, to facilitate friends and family joining in singing around the piano.

May you find Christmas joy as you take up the challenge and continue to build your musical progress.

Warm wishes for many happy Christmases at the piano!

Go, Tell It on the Mountain

CHORUS

Go tell it on the mountain, over the hills and everywhere,
Go tell it on the mountain, that Jesus Christ is born.

VERSE 1

While shepherds kept their watching o'er silent flocks by night,
Behold, throughout the heavens there shone a holy light.

VERSE 2

The shepherds feared and trembled, When lo! above the earth,
Rang out the angel chorus that hailed our Savior's birth.

VERSE 3

Down in a lowly manger, the humble Christ was born,
And God sent us salvation that blessed Christmas morn.

VERSE 4

When I was a seeker, I sought both night and day.
I asked the Lord to help me, and He showed me the way.
